**IMPORTANT NOTICE!!**  
Please extinguish ALL campfires by 12 midnight!

**NO SMOKING POLICY**  
"Clean Air for Kids" - Jellystone Park™ is a Smoking Free campground, which means that if you smoke/vape during your stay you must do so inside your camper, RV or vehicle (with windows and doors closed). We also provide 2 designated smoking areas, one located close to the Ranger Station/-Campstore, and one in Boo Boo Land so watch for signs showing these designated areas. Since the Province of New Brunswick enacted the Smoke-Free Places Act on July 1, 2015, we felt that it was important to provide children visiting Jellystone Park NB with the clean air quality they deserve. Also in New Brunswick, consumption of cannabis in any form is prohibited everywhere but at a private dwelling. Therefore, cannabis is prohibited here at Jellystone Park NB. Thanks for your cooperation!

**WE RECYCLE BOTTLES & CANS.**  
Please leave in or beside Blue Recycling Bins located throughout the park. THANKS!

**WATERSLIDE NOTICE**  
You must be 42 in./105 cm to ride waterslides alone. If not, child may ride with an adult provided the child wears a life jacket or arm bands.

**PLEASE TIE UP ALL GARBAGE BAGS** and place in the black bins located at the end of each campsite road. Extra garbage bags are available at the Ranger Station.
